**International Hydrofoil Society (IHS)
Mandles Prize for Hydrofoil Excellence - 2016**

The International Hydrofoil Society is pleased to announce that thanks to the generosity of Mr. Martinn Mandles, a long-time member of IHS and his wife Connie, IHS will once again sponsor the Mandles Prize for Hydrofoil Excellence competition. The competition includes up to \$4,500 a year in IHS hydrofoil achievement prizes for students, with a \$2,500 First Prize and up to two \$1,000 Honorable Mention awards.

In order to open the competition to a wider spectrum of qualified entries, submissions by students based on work completed since 2011 will be eligible for the Mandles Prize. The Due Date for Entry Forms is March 15, 2016.

This is an outstanding opportunity for the next generation of hydrofoil developers to be acknowledged for their efforts to advance the state of the art in hydrofoil and hydrofoil-assisted craft engineering, design and construction. Background on the Mandles Prize and Rules for the competition can be downloaded from the IHS website (www.foils.org)

Based on the 2015 entries, we anticipate a very exciting competition and look forward to receiving many high-quality entries
