The International Hydrofoil Society (IHS)

Mandles Prize for Hydrofoil Excellence - 2021

The International Hydrofoil Society is pleased to announce that thanks to the continued generosity of Mr. Martinn Mandles, a long-time member of IHS and his wife Connie, we will once again sponsor The IHS Mandles Prize for Hydrofoil Excellence competition. The competition, now entering its 8th year, includes up to \$4,500 annually in IHS hydrofoil achievement prizes for students, with a \$2,500 First Prize and up to two \$1,000 Honorable Mention awards.

In order to open the competition to a wider spectrum of qualified entries, submissions by students based on work completed since 2016 will be eligible for the 2021 IHS Mandles Prize for Hydrofoil Excellence. The due date for application forms is May 1st, 2021.

This is an outstanding opportunity for the next generation of hydrofoil developers to be acknowledged for their efforts to advance the state of the art in hydrofoil and hydrofoil-assisted craft engineering, design and construction. Background and Rules for the competition can be downloaded from the IHS website (www.foils.org)

We anticipate a very exciting competition in 2021 and look forward to receiving many high-quality entries. Questions on The IHS Mandles Prize for Hydrofoil Excellence can be e-mailed to IHS Vice-President Mark Bebar at: markbebar@juno.com or IHS President Ray Vellinga at: IHSpresident2016@gmail.com
